PROFESSIONAL PROFILE

Systems Engineer from Universidad del Norte (2024) with over 3 years of experience in Oracle and SQL Server databases, backend development in C#, and enterprise system integration. Skilled in web services, triggers, jobs, and optimized database design. Strong understanding of asset maintenance applications, including inventory, preventive and corrective maintenance, purchasing, and personnel management. Recognized for integrating maintenance platforms with SAP, improving data synchronization and reducing manual work. Focused on delivering efficient, scalable, and well-documented solutions.

PROFESSIONAL EXPERIENCE

Professional Experience

COSISTEMAS LTDA — *Systems Engineer & Application Support Specialist*

January 2023 – Present | Barranquilla, Colombia

- **Key Projects and Achievements:**
- **Integration with SAP:** Designed and implemented a backend integration between an asset management application and SAP, enabling real-time synchronization of work orders, materials, and maintenance data.
➤ *Result:* Reduced manual updates by 90% and improved traceability of maintenance operations.
- **Database Administration:** Managed Oracle and SQL Server databases, creating optimized schemas, triggers, stored procedures, and automated jobs.
➤ *Result:* Increased database performance by up to 70% and ensured consistent backup and recovery processes.
- **Web Services Development:** Built SOAP and REST APIs in C# for system-to-system integrations, ensuring secure and documented data exchange.
➤ *Result:* Improved interoperability and automation between internal and external applications.
- **Application & Business Support:** Provided technical support and functional guidance for asset management systems, including modules for inventory, maintenance (preventive & corrective), purchasing, and workforce management.
➤ *Result:* Improved operational efficiency and reliability across multiple client environments.

EDUCATION

Universidad del Norte — *Systems Engineering*

Graduated in 2024 | Barranquilla, Colombia
